

Architectural Innovation, Building Excellence

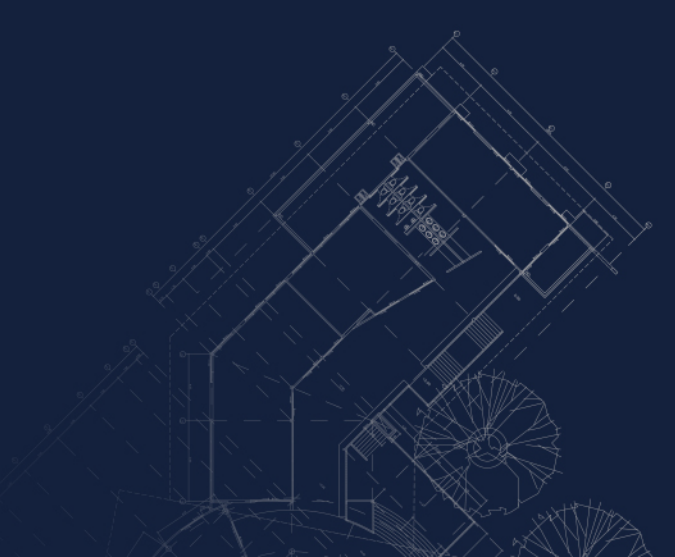

# Welcome

## to JAK Designs & Construction

Founded in 2018 by Er. Mohamed Tariq Anwar, JAK Designs commenced its journey as an architectural design firm. Initially focused on 2D and 3D design elements, we quickly evolved to become a comprehensive design and construction entity. Our CEO's vision has driven our success, and today, we proudly present JAK Designs & Construction.

Creativity begins with  
imagination!

### **CEO & Founder**

Er. N. Mohamed Tariq Anwar

### **Site Engineers**

Er. Ahamed Faizal .H | Er. Sheik Marzuq .S

### **Structural Engineer**

Er. Hemanth Kumar

Kalyan Reddy

# Journey from Design to Construction

In 2018, JAK Designs emerged as an architectural design firm, offering services such as 2D floor plans, 2D structural design, 3D elevation, and interior designs. Notably, in 2019, we undertook an international project – designing a GOLF stadium in Qatar, marking a significant milestone in our early years.

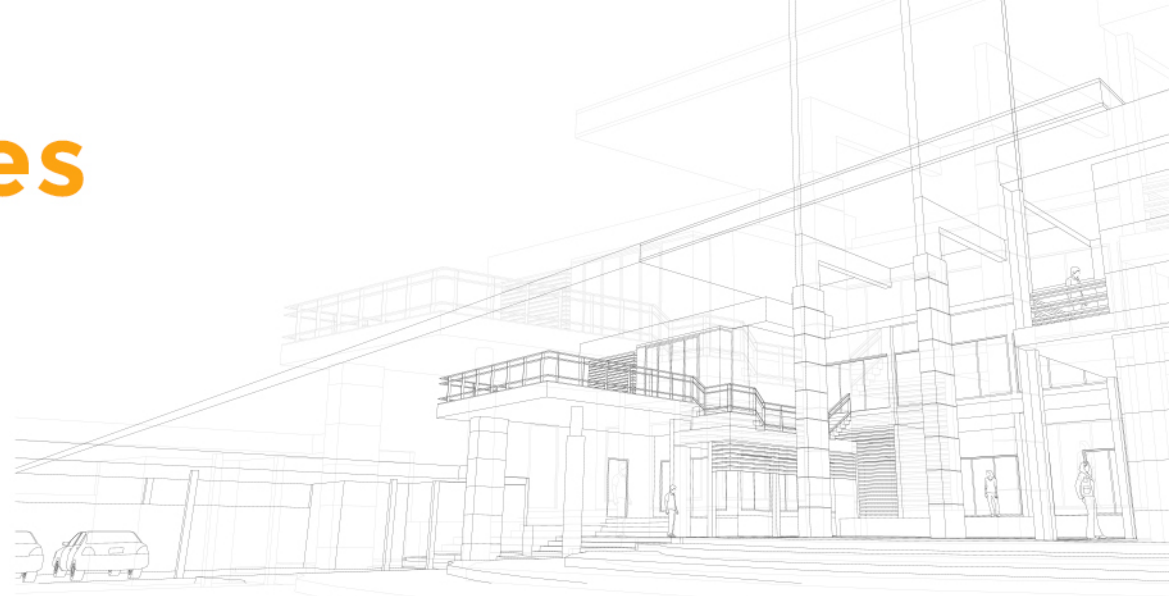

# Beyond Boundaries

Since our inception,  
we have crafted over

**15k+**

Architectural  
Designs, including

- Architectural 2D floor plans
- Architectural 3D floor plans
- Elevation Designs
- Interior Designs
- Structural Designs
- Plumbing and Electrical Designs

## Molding Future Living Spaces

### 1. 2D Floor Plans

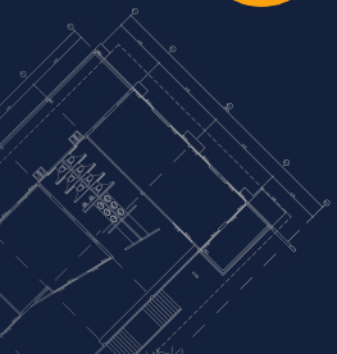

- Completed more than **4k+** projects across India

### 2. 3D Elevations

- Completed more than **8k+** projects across India

Design Works completed, bringing  
smiles of satisfaction to our clients' faces!

# Interior masterpieces crafted, weaving a tapestry of elegance & seamlessly interacting with clients' dreams!

## Consistent design projects spanning across India

- Chennai, Tamil Nadu
- Ongole, Andhra Pradesh
- Gandhi Nagar, Gujarat
- Beem Nagar, Karnataka
- KR Nagar, Lucknow
- Kochi, Kerala

## Architecting the **SPACES OF TOMORROW**

**Kumbakonam, Melakaveri, Tamil Nadu**  
Modular Kitchen | Project Cost: 6 Lakhs

### **Kumbakonam, Thiruvalluvar Nagar, Tamil Nadu**

House Interior | Project Cost: 12 Lakhs

### **Karaikal - Tamil Nadu**

Marriage Hall False Ceiling | Project Cost: 15 Lakhs

# From Designs to Reality

In September 2019, we expanded our horizons by venturing into construction. This transformation led to the birth of JAK Designs and Construction. Our journey seamlessly integrates innovative design concepts with on-site construction
